CEAS Symposium 2023 **SUSTAINABILITY** **AND RESILIENCE** **IN EAST ASIA** **@Biosphere 2**

Saturday, November 11th 2023 | 10a-4p
In-person and Online

Call for Proposals

We invite scholars and graduate students from any field to discuss the past and future of environmental awareness and challenges with East Asia as the context.

All issues related to the scientific, social, and cultural dimensions of the environment and sustainability in East Asia are welcomed.

For more information and to submit your proposal see the symposium website.

Deadline: Monday, September 4th
